Re: Proposed Office Extension
Savage Coal Terminal
C/007/022
Carbon County, Utah

Dear Mr. Haddock:

Enclosed are 3 copies of a proposed amendment to extend the existing office building at the Savage Coal Terminal. The proposed extension will be 25' x 45' x 10' high and will attach to and match the existing building.

There will be no new surface disturbance or drainage changes as a result of this project. The existing septic system for the office is adequately sized and will not need to be modified for this extension. Additional bonding costs have been provided for the extension. This additional cost is well within the surplus in the posted bond for this site.

Revised pages and plates for the approved MRP are included with this submittal. A C₁/C₂ Form is also enclosed. If you have any questions, or need additional information, please let me know.

Sincerely,

Garth Nielsen
General Manager
